16 Prayer Cards for Little Hearts

Tiny, printable, wallet-size prayers for the moments of your kid's day

How to use the prayer cards

This is a set of 16 mini prayers — one for every moment your kid's day actually has: bedtime, morning, meals, fears, big days, boo-boos.

Each card is wallet-size. 4 fit on one A4 page. Cut along the dashed lines and you have a little deck to slip into a backpack, a lunchbox, or a Bible.

1. Print all 4 pages on regular paper (or card stock for durability).
2. Cut along the dashed lines with regular scissors.
3. Optional: laminate the cards so they last longer (school supply store).
4. Give your kid the cards. Let them pick one every day.
5. Read the prayer together. Read the verse. Hug.

Tip: Put a card in your kid's lunchbox on a big-day morning (test, dentist, new school). They'll find it. It matters.
